SUMMARY

I tend to adopt a holistic approach in all activities that I undertake and try to get the most out of them. Both technical knowledge and creative endeavors spark my curiosity. I consider myself an ambitious person, commited to lifelong learning and continous personal development.

PROJECTS

Youtube Clone
🔗 https://you-tube-project-clone.web.app/ (Ongoing)
Github: https://github.com/flaviuhossu/YT-Clone
A fully functional **Youtube Clone** developed in **React JS** with **Redux** and Youtube v3 **API**

- Backend in Google Firebase
- Authentification with OAuth
- Paginations
- Lazy-Load images

Electro Design Concept Company Website
🔗 https://flaviuhossu.github.io/EDC-Website/index.html (Ongoing)
Github: https://github.com/flaviuhossu/EDC-Website
A real life website developed with **HTML**, **CSS** and **Javascript** for a young and ambitious electrical installations company

- Responsive, "mobile-first" development mindset

PASSIONS

🎸 Playing guitar
I'm also passionate about music theory and creating music

⛰️ Hiking
My favorite activity when a "master reset" is needed

🚴 Cycling
This activity is both practical and enjoyable

🧘 Meditation
I like to clear my mind and live more "in the present" from time to time.
